Networking Breakfast Wednesday 15 May 2019

with guest speakers **Penny ('92) & Peter Wolff**

Owners - Wolff Coffee Roasters | The Big Bad Wolff Espresso Bar | Queen of Pops

Penny Wolff, the creative and educative mastermind behind the Wolff Coffee brand, and her husband, Peter, who has been at the forefront of Australia's coffee industry for more than 30 years, have crafted a niche in the realm of Specialty Coffee in Brisbane.

Having recognized an opportunity to fill a void in the quality espresso market, Penny, a past academic with a strong arts background, and Peter, a coffee connoisseur instrumental in the

revolution of coffee drinking in Brisbane, created three very distinct brands in the tea and retail coffee sector. Together they also built the Wolff College of Coffee, where many of Brisbane's bearded, tattooed hipster baristas have learnt their trade from Master Roaster Peter Wolff.

Join us for our second breakfast in 2019 as Penny & Peter share their love of coffee and how entrepreneurship has become their way of life!
