Welcome to MAYO 2022

Welcome to the eighth MAYO Arts Festival – a proud St Margaret's biennial tradition since 2008.

This year's theme RECONNECT is a reflection on the past few years when many community gatherings and events have been cancelled or scaled back due to the global pandemic. Our own MAYO Arts Festival in 2020 was rescheduled then downsized to cater for the then health measures in place.

How excited we are that the MAYO Arts Festival is back in full bloom. We invite you to embrace the festival's theme and reconnect with the school and with the beauty of the world through the many inspired art pieces in the gallery exhibition and just by being able to come together.

From the opening cocktail party on the Friday evening which showcases some spectacular 3-D pieces from an array of talented artists, right through to "After Dark" on the terraces on Saturday evening, the festival promises something for the whole family, including artisan market stalls, rides, all the 'fun-of-the-fair' games and activities for the young and young at heart, gourmet food trucks and glorious sweet treats, music and entertainment, and creative workshops to unleash your inner artist. There are also some truly amazing raffle prizes on offer so be sure to purchase your raffle tickets available through the Raffleix website (there's a QR code link on this program).

I would like to thank all the wonderful supporters of the festival: our sponsors, parent volunteers, donors of goods and services, and the many St Margaret's staff who have worked for months to bring you the 2022 MAYO Arts Festival.

Link arms with your family and your friends, reconnect, and enjoy the celebrations.
