

Subject Preference Form - Year 11, 2020 and Year 12, 2021

Name: _____

Student Code: _____

House: _____

There are two streams students may choose to study. You may choose the ATAR Pathway or the Portfolio (Non-ATAR) Pathway.

Eligibility for an ATAR will require satisfactory completion of a QCAA English subject - English, Literature, English and Literature Extension or English as an Additional Language.

Year 11 2020 students will be choosing five (5) subjects, which will give them line of independent study each week, which is the equivalent to 6 single lessons. This added time in the weekly timetable will assist students in consolidating their work over the five subjects they choose, as well as helping them organise their assignment work. Only students who receive less than a B- in English or by virtue of their results across their subjects in Year 10, will do six subjects in Years 11 and 12. This will be done through consultation with Ms Butterworth.
