

# Flyers **ACADEMIC** PROGRAM

## *Born to fly upwards*

St Margaret's understands the commitment and dedication it takes to achieve great things. The Flyers Program supports our outstanding scholars, athletes and musicians to follow their passion, while successfully balancing all other aspects of their education. Involvement in the academic program is by invitation only.

### Overview

The Academic Flyers Program at St Margaret's recognises and develops high academic talent through a rich array of curricular and extracurricular opportunities. Rooted in the school's Quality Teaching and Learning Framework, the program is designed to motivate, challenge, and connect students, fostering a culture of high expectations and deep learning.

### Structure

Curricular offerings include:

- Whole Grade Acceleration\*, where appropriate conditions have been met in accordance with the IOWA Acceleration Scale
- In-Subject Acceleration\* available in Mathematics, English, and Science
- University courses offered in Years 11–12 for advanced students
- Learning plans and case management by the Academic Flyers Coordinator for gifted (identified) students to ensure appropriate subject extensions

\* Students who undergo acceleration will receive case management by the Academic Flyers Coordinator, ensuring that both their academic progression, time management and social-emotional wellbeing are effectively supported.

Extracurricular offerings include:

- Days of Excellence at partner schools and institutions
- Academic competitions, team challenges, and Olympiads
- Internships, university career days, and industry immersion
- Establishing industry relationships and professional networking in collaboration with the St Margaret's Plus Mentoring Program
