

# ENROLMENT POLICY

---

## INTENT

This Policy provides information for the school community on the requirements and procedures for the enrolment of students at St Margaret's Anglican Girls School.

## SCOPE

St Margaret's is recognised as an undisputed leader in creating diverse learning pathways and for encouraging academic aspiration and endeavour for all.

The emphasis on academic achievement is complemented by a wide range of extra-curricular activities and programs to empower young women.

Therefore, the school seeks to enrol young people who, in the opinion of the school's Principal, will gain maximum benefit from the academic program St Margaret's offers; are willing to contribute to the life of the school by participating as fully as possible in the range of activities available; and whose families both understand and are supportive of the Christian ethos of the School. It is crucial to a girl's successful participation in the life of the school that the values fostered and expressed by the school are supported by those of her family.

## ENROLMENT LIMITS

An enrolment ceiling is not set for each year level other than Pre-Preparatory which can only enrol 20 students. St Margaret's aims to be a school of 1250 from Pre-Preparatory to Year 12.

### Class Sizes

The number of classes will be determined by November each year and will depend on the number of students enrolled. **The following class sizes are used as a guide only:**

- Prep, Years 1 & 2 have 25 students per class (maximum)
- Years 3 – 10 have 27 students per class (maximum)
- Years 11 – 12 have 25 students per class (maximum)

## PRIORITY OF ENROLMENT

In the determination of enrolments, preference will always be given to those who apply early. In situations where there are very few enrolment places available, preference will generally be given in the following priority order:

1. Siblings of students already enrolled in the school
2. Children of members of Anglican Clergy
3. Children of staff members
4. Children of past students of the school
5. New applicants in order of receipt of applications

Date of receipt of application will be used if other priorities and factors prove equal.

A number of positions will be held open for scholarship and bursary recipients in the Secondary School. Notwithstanding the above order of preferences, no student shall be regarded as having automatic right of acceptance. Priority of enrolment is to be at the discretion of the Principal.

## EXPECTATIONS AT ENROLMENT

### Students:

Students selected for enrolment at St Margaret's are expected to support and enhance the ethos of the school in its pursuit of academic excellence, through its competition in the Queensland Girls Secondary School Sports Association (QGSSSA) / Brisbane Schoolgirls' Rowing Association (BSRA), and by participation in a range of extra-curricular activities. Each student will be interviewed by a member of the Educational Leadership Team during the enrolment process. At interview, students and their parents will be asked about:

- The educational history of the student
- Her performance in academic competitions
- Whether she has siblings already enrolled in the school
- Her sporting interests and accomplishments
- Her co-curricular interests and abilities
- Her reasons for wishing to attend St Margaret's

Please note, after the interview, the school may require further information and subsequent interviews may be required.

### Parents:

- Parents are expected to support and encourage the school values and the standards of behaviour that these imply
- Parents are expected to co-operate with expectations set down from time to time by the school. Such expectations are devised to ensure the safety and welfare of children and the efficient management of the school's facilities
