St Margaret's Anglican Girls School - Overview

St Margaret's Anglican Girls School, situated high on a hill in beautiful leafy Ascot, in Brisbane northern suburbs, is an independent day and boarding school for girls from Pre-Prep to Year 12. In Pre-Prep and Prep, we also welcome boys.

There are approximately 910 students in the school, with around 280 primary students and 630 girls in the secondary school.

St Margaret's has a long and proud boarding history and around 170 boarders from Years 5 to 12 are accommodated in the boarding house, which is in the very heart of the Ascot campus.

St Margaret's is well known for its focus on academic excellence, quality teaching and learning, and its commitment to pastoral care. Its smaller size is its greatest strength, with a true focus on each individual child and personalised learning.

St Margaret's girls are engaged, enthusiastic and energetic in all they do. They embrace the many extracurricular opportunities available, which make for very vibrant sports, music, and visual and performing arts programs. Additional clubs and activities also allow girls to explore a range of interests.

St Margaret's is a local school with a global outlook, offering students a variety of international learning opportunities through an extensive global exchange program in Year 10 and touring options. St Margaret's is also a registered provider of education to international students.

The staff at St Margaret's are highly qualified and committed to the learning and the wellbeing of the students in their care. The school's six core values – Spirit, Faith, Integrity, Courage, Respect and Passion – and the school's motto, *Per Volar Sunata* (Born to Fly Upwards), inspires St Margaret's students to grow and achieve their personal best in all endeavours.

As a school of the Sisters of the Society of the Sacred Advent, worship and spiritual development stand at the centre of St Margaret's. In addition to weekly religious and values education classes, students participate in regular prayer, reflection and formal worship. Age-appropriate liturgies are supported by regular chapel services and whole school celebrations of major Christian festivals occur throughout the year.

Our History

St Margaret's Anglican Girls School was founded in 1895, by the Anglican religious community, the Sisters of the Society of the Sacred Advent. The school originally opened in a former boys' school, Eton High School, at Nundah, but eventually moved to Ascot, its current location. Sister Emma was in charge of the school, and the Headmistress was Miss Caine. By 1902, there were twenty-three boarders and four day pupils.

In 1907, the school moved to Toorak House, but three years later moved again to Albion Heights. Two years later it became known as St Margaret's.

The school celebrated its 75th anniversary in 1970 with the opening of Toorak with its library, staff room and science laboratories. The Middle Block and the Commercial Room made way for Avoca and the Jackson Wing to accommodate the growing number of students in the 1970s and 1980s.

In 1995, the school's centenary year, the Philip Harris Sport Centre was built to provide new sporting facilities. In May 2003, then Minister for Education, Ms Anna Bligh, opened The Arts Centre. The Arts Centre supports the school's visual and performing arts program with facilities including three art studios, pottery area, and a display gallery. In 2012, the Eunice Science and Resource Centre became the newest addition to St Margaret's.

Our Mission Statement

In a supportive Christian environment, reflecting the philosophy of the Sisters of The Society of the Sacred Advent, St Margaret's Anglican Girls School aims to provide excellence in teaching and learning within a broad, balanced and flexible curriculum complemented by other school activities, preparing confident, compassionate, capable women able to contribute in a global community.

Our Vision

St Margaret's vision is to always be an outstanding day and boarding school for girls.

Our School Values

The School's six core values of spirit, faith, integrity, courage, respect and passion are embedded in every endeavour the students undertake.

Spirit: A St Margaret's girl will value and demonstrate an enthusiasm for the school, our heritage and our environment. The St Margaret's spirit is in all students and is there for life. It is a thread which connects St Margaret's girls with each other.

Faith: A St Margaret's girl welcomes and embraces all in sharing the Christian message, the spirit of love through example, compassion, hope and charity. She demonstrates her faith by service to those members of the wider community who need assistance. *The Anglican faith underpins all that we do at St Margaret's and is enacted daily by each member of the St Margaret's community as we interact with each other.*

Integrity: A St Margaret's girl is known for her honesty, trustworthiness, loyalty, truthfulness, courtesy, understanding, reliability and ethical behaviour.

Courage: A St Margaret's girl has strength of character and confidence in doing what is right. She has the courage to embrace challenge and change.

Respect: A St Margaret's girl has respect for herself and others. She understands that she is a member of a diverse community and she takes responsibility as a team member to care, support and cooperate with others.

Passion: A St Margaret's girl has a positive outlook on life. She understands that commitment and persistence are necessary for learning and achievement.

The St Margaret's Way

There's a way in which we strive to do things at St Margaret's; a way in which we seek to treat people throughout our community; and a way in which we aim to serve others. Underpinned by our school values, St Margaret's has developed a document which expresses the St Margaret's Way.

Enquiries for enrolment are directed to **Admissions and Community Relations – International**.

Enquiries regarding student welfare during a student's enrolment are directed to the **International Pastoral Care Coordinator**.

Step 1:

Part A

An enrolment enquiry can be made either via email, walk-in to the office, online or post and the enquiry can come via an International Education Agent of St Margaret's or through the family's agent or directly from the family. At this point, if not already provided, further information may be sought regarding year level, entry year, accommodation arrangements, tour opportunity, etc. Admissions and Community Relations – International sends the enrolment prospectus, Application for Admission Form for international enrolments and International Schedule of Fees.

The following is submitted to the school by the student and their parent(s)/legal guardian(s):

- Completed Application for Admission Form (Application for Admission Form – International Student)
- Copies of the student's academic record for the past two (2) years (in English)
- Copy of the student's passport
- Acceptable evidence of English language proficiency (e.g. AEAS, IELTS)
- Application for Course Credit (if required)
- Non-refundable Application Fee of AUD\$330.00

Part B

An application for enrolment can only be processed when all of the above have been submitted to the school. Applications from International students are processed according to established policy and procedures, and are dealt with on their merits.

Step 2:

Where logistically possible, the student is interviewed face-to-face by a member of the Educational Leadership Team and Admissions & Community Relations – International; otherwise this could be done via Skype.

The purpose of this interview is to converse with the student in English, discuss the school and student expectations, discuss accommodation and welfare, refer the student to relevant policies, subjects and appropriate year level curriculum, extra-curricular activities, and address any questions the student may have.

Step 3:

If the interview is successful, the school will notify the student if they can be accepted for Direct Entry or will be required to undertake an English Language Intensive Course for Overseas Student (ELICOS) or a High School Preparation Program (HSPP) prior to commencing their primary course of study. If an ELICOS or HSPP is required, then evidence of enrolment from the provider must be submitted to the school.

Step 4:

Once an application has been accepted the student will be issued:

- Provisional Letter of Offer outlining fees payable upfront [where applicable, including Overseas Student Health Cover (OSHC) and accommodation, and a non-refundable application fee of AUD\$330], entry requirements and course details.
- Written Agreement outlining total estimated fees for the duration of the enrolment (tuition and non-tuition fees), special condition (if any), relevant policies around refund, welfare and accommodation, course attendance and course progress, visa requirements for enrolment as an international student, the school's complaints and appeals process, and privacy.

Step 5:

The parent(s)/legal guardian(s) and the student sign and return the Provisional Letter of Offer and Written Agreement with confirmation of fees quoted in the Provisional Letter of Offer. Parent(s)/Legal Guardian(s) may choose to pay more than 50% of total fees in which case a separate invoice will be issued.

IMPORTANT: if an agent is involved, they cannot sign documents nor make fee payments on behalf of the student or their parent(s)/legal guardian(s).

Step 6:

On receipt of payment and return of signed Provisional Letter of Offer and Written Agreement, the school will issue a Confirmation of Enrolment (eCoE) and, if applicable, Confirmation of Accommodation and Welfare (CAAW) via PRISMS for the period the student is to be enrolled at St Margaret's Anglican Girls School.

Step 7:

Student applies for the student visa and notifies the school when it is granted.

Step 8:

If applicable, student submits Homestay Application Form and is matched with an appropriate family. St Margaret's Homestay Provider is International Student Care Australia (ISCA) and they administer and manage placements and homestay fees directly with the International family.

Step 9:

If the student is undertaking an ELICOS course or a HSPP prior to commencing at St Margaret's Anglican Girls School, then an integration day will be organised so that the student is able to attend some classes with their assigned buddies, complete an EAL (ESL) Integration Evaluation, organise school resources such as uniforms and textbooks, and discuss any subject selection queries.

NB: EAL (ESL) Integration Evaluation: The student will be required to complete an EAL (ESL) test either when being interviewed face-to-face or on integration day or at commencement of studies at St Margaret's. This informs and assists the school to determine what EAL (ESL) support would be required for the student during the course of their enrolment.

Step 10:*Enrolment Forms*

i) The following forms are then sent to the student and family for completion:

- Enrolment Form
- Data Collection Form
- Medical Information Form
- Health and Wellbeing Form
- Media Release Form
- Travel Permission Form
- Laptop Charter
- Boarding Forms (if applicable)
- Year Level Booklist
- Year Level Curriculum Handbook
- Year Level Subject Selection Form

NB: Without these forms the enrolment is incomplete.

ii) Arrangements are made for student arrival and commencement, such as airport pick-up or Homestay transfer, settling into the boarding house, organising outstanding school resources.

IMPORTANT: students must commence studies on the first day of the relevant term. Unless otherwise approved by St Margaret's Anglican Girls School, late arrivals will impact course attendance and compromise visa conditions.

Policy on Entry Requirements

1. St Margaret's Anglican Girls School will consider enrolment applications from students wishing to apply for a Student Visa, subject to compliance with minimum requirements and conditions set by the School, and with legislative requirements of the State of Queensland and the Commonwealth of Australia, including any requirements to undertake extra tuition to learn English to meet the English language proficiency standard needed to enter mainstream classes.
2. Applications for enrolment must be made on Application for Admission Form – International Students. This must be correctly and fully completed, and must be accompanied by the following documents to support the application:
 - a) Copies of Student Report Cards from the previous 2 years of study, including a copy of the latest Student Report;
 - b) A completed Reference Form from the student's current or most recent school Principal is also required if student Report Cards do not record student behaviour or commitment to studies;

 - e) Photocopy or scanned copy of passport page with name, photo identification, passport number and expiry date;
 - f) Enrolment Application Fee of AUD\$330.00;
 - g) If the student has own private Overseas Student Health Cover (OSHC) then details of this must be provided.
3. Where the above documents are not in English, certified translations in English are required, with necessary costs to be met by the applicant.
4. An application for enrolment can only be processed when all of the above are in the hands of the Admissions and Community Relations - International.
5. Applications from overseas students are processed according to established policy and procedures, and are dealt with on their merits.
6. Assessment procedures include an evaluation of reports from previous schools and of English language proficiency. In cases where report cards are not available or are inconclusive for any reason, the school may require relevant testing of the applicant to assess the application.
7. Onshore applications for Years 11-12, where the student is transferring from another CRICOS registered provider, will only be considered where the transfer, if accepted, allows the student to achieve a successful study outcome at the end of the enrolment.
8. Offshore applications for enrolment in Years 11-12 will not be considered after the Year 11 course has commenced.
9. St Margaret's Anglican Girls School requires evidence that the applicant's academic ability and English proficiency is sufficient to successfully meet the entry and curriculum demands of the intended course. This is a requirement under the 2018 National Code of Practice, Part B Standard 2.

Minimum academic and English language requirements are as follows:

Academic Requirements

1. Students must provide evidence of satisfactory academic performance appropriate to entry to the Year level requested on the Application for Admission Form – International Students or offered as an alternative point of entry by the school in a Letter of Offer.
 - a) For Primary School:
 - i) Evidence of application to schoolwork and age-appropriate achievement in literacy and numeracy areas of the curriculum.

NB: The student will also be assessed at the time of integration to ensure correct placement according to academic ability, age and social development. At the school's discretion, the student may be required to take additional private tuition in English to assist in integration into mainstream Australian Curriculum.
 - b) For Years 7 – 12 students:
 - i) A pass level or "C" Year Level or better for the majority of core subjects.

English Language Proficiency Requirements

1. St Margaret's Anglican Girls School requires evidence of sufficient proficiency in English to successfully meet the curriculum demands of the enrolled course.
2. Applicants are assessed individually based on the contents of their report cards and personal references, and may also be required to undertake a language proficiency test set by the school. This is particularly applicable for student wishing to enter the school below Year 9.

3. If supplied, St Margaret's Anglican Girls School will assess evidence of English language proficiency presented by a student at the time of application, but reserves the right to confirm the student's English language proficiency through additional tests as stated below.
4. If not presenting appropriate evidence of English language proficiency at the time of application, St Margaret's Anglican Girls School will assess the student's application for entry based on the following test instruments:

Year Level Entry	Examinations				
	AEAS	IELTS	NILLA	ISLPR	TOEFL
7 & 8	61-70%				
9	61-70%	4-5	4+	1+/2	473-523
10	70+%	5-6	5	2+/3	527-563
11 & 12	70+%	5-6	5+/6	2+/3	527-563

THIS IS A GUIDE ONLY AS THE INTERVIEW DETERMINES THE SUCCESS OF THE APPLICATION. ALL APPLICATIONS ARE ASSESSED ON AN INDIVIDUAL BASIS.

5. Students should note that if their language proficiency is below that outlined above, they may be required to undertake an intensive English language course before beginning mainstream studies.
6. If undertaking an intensive English language course before beginning mainstream studies, English language proficiency will be reassessed at the conclusion of the language course to ensure the student's level of proficiency is sufficient to allow them to commence their mainstream course.

NB: If the student is undertaking an ELICOS or High School Preparation Program (HSPP) prior to enrolment commencement, the date and year level is subject to English Proficiency Levels being attained by the primary course start date. If English Proficiency Levels are not attained by this date, the student may also be required to undertake further intensive English Language Studies before commencing at St Margaret's Anglican Girls School or may be enrolled in a lower year level commensurate with the student's attained English Proficiency.

School Community Code of Conduct

1. ETHICAL STATEMENT

St Margaret's Anglican Girls School promotes values that are in keeping with the Christian ethos and the school's mission in accordance with The Philosophy of the Society of the Sacred Advent for their schools:

To nurture the individual within a caring community so that each will realise his or her full potential to engender Christian values, encourage high academic standards and service to others so that all will have not only one goal, but also the inner strength "to love one another as I have loved you" (St John 13:34).

All students, parents, teachers and staff have the right to be safe and feel safe in their school community. With this right comes the responsibility to be law-abiding citizens and to be accountable for actions that put at risk the safety or wellbeing of others.

This Code of Conduct provides members of the school community with guidelines for the effective development of positive relationships within the school community and assists in promoting the values that are in keeping with the school's mission.

2. INTENT

This School Community Code of Conduct sets clear standards of behaviour which are expected of members of the school community in the school environment or when attending any school related function or activity at any other location.

Parents/guardians and students agree to be bound by the School Community Code of Conduct when parents/guardians sign the Enrolment Agreement with the school. - Members of the school community have a responsibility to develop and maintain an environment where conflict and difference can be addressed in a manner characterised by respect, civility and dignity.

5. PARENTAL ROLE

Parents/guardians play an important role in the education of their children and have a responsibility to support the efforts of the School in maintaining a safe and respectful learning environment for all students. Parents fulfil this responsibility when they:

- show an active but non-invasive interest in their daughter's school work and progress

8. SUPPORT GROUPS

Support Groups are sub-groups of the Parents and Friends Association and operate to enhance particular activities within the school community by providing support and additional funding for equipment or resources for those activities.

Funds raised by a support group must be made available for resources for that activity.

Annual fundraising plans should be drawn up in association with the coordinator of the activity so that all monies are accountable and submitted to the fundraising committee, dates booked on the school calendar and events agreed as appropriate for the school and that activity and approved by the fundraising committee.

Support Group finances will be audited with the Parents and Friends Association annual audit.

All activities undertaken should be done so with the approval of the Principal in association with the coordinator of the activity and the fundraising committee.

Guidelines for Support Groups are available from the Parents and Friends Association and the fundraising policy.

9. RESPONSIBILITY FOR GUESTS

Any school community member who invites a relative, friend, supporter, carer or other person to be present at any school related function or activity at any location must be responsible for that person and must ensure that they act at all times in a manner consistent with this Code of Conduct.

The consequences to a member of the school community for breaching this Code of Conduct will be determined by the Principal in accordance with the St Margaret's AGS Complaints Policy and may include one or more of the following:

- The school may ban any member of the school community from attending any extra-curricular activity.
- The school may ban any member of the school community from being on the school grounds in general.
- The school may direct that any parent may only communicate with members of staff through a nominated school representative.
- In the case of extreme or prolonged breach of this Code of Conduct by a parent, the school may terminate the enrolment of the child of that parent.
- The school may take such other steps as it may in its reasonable discretion determine appropriate according to the nature of the breach.

11. RIGHT OF APPEAL

The St Margaret's AGS Complaints Policy 'right of appeal' will apply to any decision made by the Principal under this Code of Conduct. The policy is accessible on, and can be downloaded from, the school's website.

Guidelines for Behaviour and Expectations of Students

Behaviour

Behaviour must always reflect the core values of St Margaret's and students who display irresponsible and unsafe behaviour such as use of abusive language, smoking, drinking of alcohol, academic dishonesty, stealing, harassment, bullying or injury (physical or emotional) of another, or behaviour that places a student or others at risk will be asked to explain their behaviour and will face serious consequences. In situations where students display behaviours of this nature and bring the school's name into disrepute, the parents/guardians will be asked to meet with the appropriate school staff depending on the seriousness of the behaviour.

The use, possession or selling of drugs and alcohol is illegal and places the lives of students at risk. The school adopts an uncompromising approach to this behaviour. In matters pertaining to this behaviour the police may be contacted.

As these offences contradict the values, philosophy and practices of the school, students may be suspended or expelled. If there has been cause to suspend a student from school, the student is required to remain off the school grounds and should not be present at any school function unless at the specific request of the Principal.

Expectations

1. Regard yourself and other people with dignity and respect, and learn the importance of cooperating in a Christian community with diverse interests and traditions, but with a common concern for the wellbeing of all its members, and for the promotion of Christian values.
2. Take responsibility for your learning and display courage in trying to achieve your potential in all you do.
3. Take responsibility for your own progress by diligent and careful preparation for and participation in all the classes of which you are a member. Display passion for learning and enjoy the experiences you encounter on your journey of learning.

5. Wear the school uniform with pride. Display respect for your school by ensuring that your uniform is clean and complete. Wear your hat to and from school and at times during the day when outdoors.
6. Fulfil the commitment you make to the extra-curricular program and other activities. Once you are committed to a sport, musical or any school activity group you must participate fully for the duration of the program. This means attendance at all training, games, rehearsals and meetings.
7. Uphold the good reputation of the school at all times.
8. Be inclusive and value diversity for the way that it enriches our lives.

Anti-Bullying Policy

1. ETHICAL STATEMENT

St Margaret's Anglican Girls School is committed to maintaining an environment that: values the inherent worth and dignity of every individual; fosters tolerance, sensitivity, understanding and mutual respect; and encourages its members to strive to reach their full potential.

This commitment has its foundation in the Philosophy of the Sisters of the Society of the Sacred Advent for their schools:

To nurture the individual within a caring community so that each will realise his or her full potential to engender Christian values, encourage high academic standards and service to others so that all will have not only one goal, but also the inner strength "to love one another as I have loved you" (St John 13:34).

All members of the school community must be able to pursue their goals, educational needs and working lives without intimidation or injury generated by intolerance and harassment.

The school is committed to ensuring a healthy and safe working and learning environment that is free from discrimination and all forms of harassment, which are unacceptable behaviours and will not be tolerated under any circumstances.

2. DEFINITION

Bullying has been defined as repeated oppression, psychological or physical, of a less powerful person by a more powerful person or group of persons" (Rigby, 2007).

Bullying may be overt (that is behavior visible to others) or covert (that is behaviour is not visible to others).

Common forms of bullying have been categorised as:

- Physical bullying: including hitting, kicking, tripping, pinching, and pushing or damaging the property of another person.
- Verbal bullying: including name-calling, insulting, teasing, intimidating, making homophobic or racist remarks, or verbally abusing another person.
- Psychological or social bullying: designed to harm another person's social reputation and/or cause this person humiliation, including lying and spreading rumours, hurtful mimicking behaviour, playing nasty jokes designed to cause embarrassment and humiliation, damaging someone's social reputation or social acceptance, encouraging others to socially exclude another person, mobbing, and making negative facial or physical gestures, menacing or contemptuous looks, towards another person.
- Cyberbullying: including behaviours such as harassing another person via a mobile phone or internet-based social networking site, setting up a defamatory personal website or deliberately excluding someone from interacting within social networking spaces.

Conflict or fights between equals and single incidents are not defined a bullying (Australian Research Alliance for Children and Youth, 2014).

PROCEDURES

Action for Staff to take

1. Watch for early signs of distress in students.
2. Report all incidents or suspected incidents to the Head of Year or Dean of Students or Head of Primary School.
3. Offer the target immediate support and help.
4. Include appropriate learning activities to counter bullying in your lessons, taking time to discuss this policy in year level or form time groups.

Action for parents/guardians to take

1. Watch for signs of distress in your child. There could be an unwillingness to attend school, a pattern of headaches or stomach aches, equipment has gone missing, etc.
2. Take an active interest in your child's social life.
3. If you think students from the school are bullying your child, contact the Head of Year or Head of Head of Primary/Dean of Students.
4. Talk openly and often with your daughter, listen to her concerns in an understanding way.
5. Contact the school for additional support and strategies that will help your daughter.

Action for students to take

1. Students are encouraged to report all incidents of bullying to a trusted teacher or their Head of Year, Form Teacher or classroom teacher, even if the student is not directly involved.

2. Students sometimes need support to deal with certain incidents that involve aggression and conflict resolution; therefore, they should speak with a member of the School's staff, in confidence.
3. Offer support to students who are being bullied and show the student/s doing the bullying that it is wrong and unacceptable.
4. Talk with your friends and foster healthy, positive relationships.

Action for the school to take if the investigation shows that the matter involved criminal liability. The school will:

- a) Advise the victim and their parents of their capacity to make a formal complaint to the Queensland Police Service.
- b) The school will assist fully in any Queensland Police Service investigation.
- c) If the victim or their parents are reluctant to pursue criminal liability, the school will formally advise the student and their parents of school's limited powers going forward to monitor the matter.

If the investigation shows that the matter involves civil liability, the school will:

- a) Advise the victim and their parents to retain their own lawyers for independent advice if they wish to pursue the bully.
- b) If appropriate, instruct the school's lawyers for specific advices and the school's rights to pursue the matter.
- c) Advise the school's insurance broker of the possible legal action.

Upon resolution of the complaint, the school will:

- a) Counsel all students in the school's bullying policy, respecting the confidentiality of the victim and their complaint.
- b) Reassess the school's Supportive School Environment Policy and the Laptop Handbook.

Student Guidelines for the Use of Mobiles

Students are permitted to carry a mobile phone to school, at the owner's risk. In the Secondary School, mobile phones must be kept locked in the student's locker. A mobile phone should not be left in an unattended bag. During in-class testing and block exams all mobile devices including iwatches will be switched off and left in the care of supervising teacher at the front of the classroom, to ensure validity of testing. Staff need to be vigilant that all devices are handed in under these circumstances. All mobile phones brought to school by students in the Primary School must be placed in the allocated box at the beginning of the school day. This box will then be stored in the Primary School Office.

To promote punctuality and safety, students are not permitted to access their devices between lessons when there is not a scheduled break. Secondary students are allowed to access their mobiles phones only at their locker during morning tea and lunch (not during Academic Advising times). During these times students in the Secondary School are only allowed to access their mobiles in case of emergency (for e.g. texting parents to advise sports training cancelled) but this use should be limited and not promote anti-social behaviour.

Devices are not to be used for texting for social interaction, social media, internet access or photographs/video. In the Primary School, students must go to the Primary School office to request to make a telephone call on the school phone if it is necessary during the school day. Conversations on mobile phones, or on the telephone in the Primary School Office, are not considered to be acceptable reasons for lateness to class. St Margaret's as an employer takes seriously its responsibility to protect staff members from inappropriate and malicious on-line references. Therefore, any posting of inappropriate images of staff or references to a staff member, will automatically lead to suspension from school.

Inappropriate use of a mobile phone during the school day will result in confiscation of the phone. The confiscated item will be labelled with the student's name, and handed in at the Head of Year or Primary School Office at the first possible opportunity, to be collected at the end of the school day. Any negotiations for earlier return of the confiscated item are to be conducted only with the Dean of Students or Head of Primary School.

No school resources will be allocated to finding a phone that is lost or allegedly stolen. Significant or repeated misuse of a mobile phone may result in suspension or other consequences as outlined by the Acceptable Use of Technology policy. Parents will be notified of this infringement to School policy. If at any time a staff member has cause to suspect a mobile device is being used inappropriately, they have the right to confiscate it immediately pending investigation of the matter. In regard to any matter whereby the school believes there may be material which is of a bullying, sexual, racial or violent nature or where the school or students of the school may be brought into disrepute, the school reserves the right to permit specified staff to inspect any school-owned devices, including but not limited to; cameras, video recorders and computers.

Please refer to www.stmargarets.qld.edu.au for our Guidelines for Use of Mobile Phones and the Acceptable Use of Technology Policy.

Student Progress, Attendance and Course Duration Policy

Overseas students are required to meet and maintain satisfactory course progress and attendance requirements under visa condition 8202 and under Standard 8 of the National Code of Practice for Providers of Education and Training to Overseas Students 2018.

I. Course Progress

- a) The school will monitor, record and assess the course progress of each student for the course in which the student is currently enrolled.
- b) The course progress of all students will be assessed at the end of each study period (semester) of enrolment according to St Margaret's Anglican Girls School's course assessment requirements.
- c) Students who have begun part way through a semester will be assessed after one full study period (semester) will be assessed according to St Margaret's Anglican Girls School's course assessment requirements after completing one full study period (semester).
- d) To demonstrate satisfactory course progress, students in Secondary Junior Years 7-10 will need to achieve competency in at least 80% of units in any study period. Competency can be defined as a grade of C- or above in 80% of academic subjects. In Secondary Senior Years 11-12 the student is expected to attain the competency required to be awarded a QCE. This may be by achieving 20 semester credits of 5 school subjects at C- or a combination of 4 school subjects and a vocational qualification. For Primary school students, Course Progress indicates that a student is capable of progressing onto the next phase of learning.
- e) Active participation in school life, a positive attitude to learning and consistent effort can also be considered as Course Progress for students who are struggling with their academic outcome. Demonstrated effort could include:
 - i. Consistent engagement in class;
 - ii. Attending additional English language classes;
 - iii. Attending additional voluntary tutoring classes;
 - iv. Seeking help from teachers;
 - v. Thorough attempts and timely submission of all homework and assessment tasks; and
 - vi. Engagement in the Mentoring Program.

An effort rating will be recorded each semester and the effort rating categories are:

E – Excellent; VG – Very Good; G – Good; S – Satisfactory; and I – Needs Improvement.

The student must not receive a rating below Satisfactory.

- f) If a student does not achieve competency in at least 80% of units studies in a study period (one semester) the International Pastoral Care Coordinator / Dean of Studies / Dean of Pedagogy will formally contact the parent(s) to advise there will be a meeting with the student to develop an intervention strategy for academic improvement. This may include:
 - i. After hours / lunchtime tutorial support;
 - ii. Subject tutorial support in class time;
 - iii. Mentoring;
 - iv. Additional EAL support;
 - v. Change of subject selection, or reducing course load;
 - vi. Counselling – time management;
 - vii. Counselling – academic skills;
 - viii. Counselling – personal; and
 - ix. Other intervention strategies as deemed necessary.
- g) A copy of the student's individual strategy and progress reports in achieving improvement will be forwarded to parents.
- h) The student's individual strategy for academic improvement will be monitored over the following study period by the International Pastoral Care Coordinator and Dean of Studies / Dean of Pedagogy and records of student response to the strategy will be kept. At times feedback from teachers may be requested regarding the student's effort and their application in class so that any issues can be addressed. Parents will be kept informed of the student's academic progress while the student is receiving formal intervention.
- i) If the student does not improve sufficiently academically and achieve satisfactory course progress by the end of the next study period, St Margaret's Anglican Girls School will advise the student in writing of its intention to report the student for breach of visa condition 8202, and that they have 20 working days in which to access the school's internal complaints and appeals process. The notification of intention to report will be issued to the student prior to the commencement of the next semester. Following the outcome of the internal process, if the student wishes to complain or lodge an external appeal about a decision made or

action taken by St Margaret's Anglican Girls School, they may contact the Overseas Student Ombudsman at no cost. Please see St Margaret's Anglican Girls School's Complaints and Appeals Policy for further details via www.stmargarets.qld.edu.au.

- j) The school will notify the National ESOS Authority via PRISMS of the student not achieving satisfactory course progress as soon as practicable where:
 - i. the student does not access the complaints and appeals process within 20 days, or
 - ii. withdraws from the complaints and appeals process by notifying the Principal of St Margaret's Anglican Girls School in writing, or
 - iii. the complaints and appeals process results in favour of the school.
- k) St Margaret's does acknowledge that in some circumstances, a student's application to study can be assessed for course progress, when the criteria mentioned in I. e) above is not met. This will be assessed on a case by case basis.

II. Completion within expected duration of study

- a) As noted in 1.a., the school will monitor, record and assess the course progress of each student for the course in which the student is currently enrolled.
- b) Part of the assessment of course progress at the end of each semester will include an assessment of whether the student's progress is such that they are expected to complete their studies within the expected duration of the course.
- c) The school will only extend the duration of the student's study where it is clear the student will not be able to complete their course by the expected date because:
 - i. the student can provide evidence of compassionate or compelling circumstances (see Definitions below)
 - ii. the student has, or is, participating in an intervention strategy as outlined in I. f).
 - iii. an approved deferment or suspension of study has been granted in accordance with St Margaret's Anglican Girls School's Deferment, Suspension and Cancellation Policy.
- e) Where the school decides to extend the duration of the student's study, the school will report this change via PRISMS within 14 days and/or issue a new Confirmation of Enrolment (COE) if required. In this case, the student will need to contact the Department of Immigration to seek advice on any potential impacts on their visa, including the need to obtain a new visa.

III. Monitoring Course Attendance

- a) Satisfactory course attendance is attendance of 80% of scheduled course contact hours.
- NB: The National Code St 8 specifies a minimum attendance requirement of 80%, or under certain conditions, of 70% as outlined in St 8.15. School policy can require a higher minimum attendance rate.
- b) Student attendance is:
 - i. checked and recorded daily;
 - ii. assessed regularly; and
 - iii. recorded and calculated over each study period.
 - c) Late arrival at school and early departures from school will be recorded and will be included in attendance calculations.
 - d) All absences from school will be included in absentee calculations and should be accompanied by a medical certificate, an explanatory communication from the student's carer or evidence that leave has been approved by the Principal/Dean of Students.
 - e) Any absences longer than 2 consecutive days without approval will be investigated.
 - f) Student attendance will be monitored by The International Pastoral Care Coordinator every 2 weeks over a study period to assess student attendance using the following method:
 - i. Calculating the number of hours the student would have to be absent to fall below the attendance threshold for a study period e.g. number of study days x contact hours x 20%. [For example, a 20-week study period with 5 contact hours a day would equal 500 contact hours. 20% of this is 100 hours. Alternatively, a school may choose to calculate attendance using a formula based on the number of days absent. For example, a 20-week study period with 5 days a week would equal 100 school days. 20% of this is 20 school days.]
 - ii. Attendance for any period of exclusion from class will be assessed under St Margaret's Anglican Girls School's Deferment, Suspension and Cancellation Policy.
 - g) Parents of students at risk of breaching St Margaret's Anglican Girls School's attendance requirements will be contacted by email and/or phone and students will be counselled and offered any necessary support when they have absences totalling 10 % any study period.

- h) If the calculation at III. f) indicates that the student has passed the attendance threshold for the study period, St Margaret's Anglican Girls School will assess the student against the provisions of Item III. i) (below). Where the student has failed to meet the minimum attendance requirement, and Item III. i) does not apply, the school will promptly advise the student of its intention to report the student for breach of visa condition 8202, and that they have 20 working days in which to access the school's internal complaints and appeals process except in the circumstances outlined in III. i).
- i) The school will notify the National ESOS Authority via PRISMS of the student not achieving satisfactory course attendance as soon as practicable where:
- the student does not access the complaints and appeals process within 20 days; and/or
 - withdraws from the complaints and appeals process by notifying the Principal of St Margaret's Anglican Girls School in writing; and/or
 - the complaints and appeals process results in a decision for the school.

[If allowing a 70% attendance threshold for compelling or compassionate circumstances under NC St 8.15, include the following:]

- j) Students will not be reported for failing to meet the 80% attendance threshold for a study period where:
- the student produces documentary evidence clearly demonstrating compassionate or compelling circumstances e.g., medical illness supported by a medical certificate or as per Definition, below; and
 - the student's attendance has not fallen below 70% for the study period.
- k) The method for calculating 70% attendance is the same as that outlined in III. f) with the following change; number of study days x contact hours x 30%, or number of study days x number of days per week x 30%.
- l) If a student is assessed as having nearly reached the threshold of 70% attendance for a study period, the Principal will assess whether a suspension of studies is in the interests of the student as per St Margaret's Anglican Girls School's Deferment, Suspension and Cancellation Policy.
- m) If the student does not obtain a suspension of studies under the St Margaret's Anglican Girls School's Deferment, Suspension and Cancellation Policy, and falls below the 70% threshold for attendance for the study period, the process for reporting the student for unsatisfactory attendance (breach of visa condition 8202) will occur as outlined in III. h) – III. i).

IV. Definitions

- a) Compassionate or compelling circumstances - circumstances beyond the control of the student that are having an impact on the student's progress through a course. These could include:
- serious illness, where a medical certificate states that the student was unable to attend classes;
 - bereavement of close family members such as parents or grandparents (with evidence of death a certificate if possible);
 - major political upheaval or natural disaster in the home country requiring their emergency travel that has impacted on their studies;
 - a traumatic experience which has impacted on the student (these cases should be where possible supported by police or psychologists' reports);
 - where the school was unable to offer a pre-requisite unit; and
 - inability to begin studying on the course commencement date due to delay in receiving a student visa.

For other circumstances to be considered as compassionate or compelling, evidence would need to be provided to show that these were having an impact on the student's progress through a course.

- b) Expected duration – the length of time it takes to complete the course studying full-time. This is the same as the registered course duration on CRICOS.
- c) School day – any day for which the school has scheduled course contact hours.
- d) Study period – St Margaret's Anglican Girls School defines a "study period" for the purposes of monitoring course attendance and progress as a semester.

NB: Ethnic Festivals will not be considered as compassionate and compelling circumstances.

Deferment, Suspension and Cancellation Policy

1. Communicating with families about changes in enrolment status
 - a) All communications regarding changes to enrolment status will be made directly with students and parents, in accordance with the latest contact details provided to the school.
 - b) Parents must therefore keep St Margaret's Anglican Girls School informed of their current contact details, as per the conditions of the student visa.
 - c) Where relevant and where approved by the parents, the school may also share copies of correspondence with the child's education agent to help facilitate communication about any changes in enrolment status. However, the parents with whom the school has a formal written agreement are the primary contact for the school in such matters. The school will not act on any decision affecting the student's enrolment that is not made by the parents.

STUDENT-INITIATED CHANGES IN ENROLMENT

 - iii. major political upheaval or natural disaster in the home country that has impacted on expected commencement of studies;
 - iv. a traumatic experience which has impacted on the student (where possible, these cases should be supported by police or psychologists' reports); and
 - v. after undertaking ELICOS studies, the student will not meet the English language benchmark required for entry into the desired course, and the school is willing to defer the student's commencement in the course until a later date when the required benchmark is achieved.
 - b) All applications for deferment will be considered within 10 working days.
 - c) The final decision for assessing and granting a deferment of commencement of studies lies with the Principal. Where a student's request to defer her commencement of studies is refused, the student has a right of appeal (see St Margaret's Anglican Girls School's Complaints and Appeals policy).
 - d) Deferment will be recorded on PRISMS within 14 days of being granted.
3. Suspension of study requested by student
 - a) Once the student has commenced the course, St Margaret's Anglican Girls School will only grant a suspension of study for compassionate and compelling circumstances. These include but are not limited to:

 - v. Student returns to their home country to sit a university exam (or similar assessment) which impacts upon their education.
 - b) Where there is a significant issue impacting upon a student's attendance or course progress, it is essential that the student or parents contact the school as soon as possible to discuss the concern so that appropriate support can be put in place. Where deemed necessary, this may involve temporarily suspending the student's enrolment so that matters can be resolved without having a negative impact on the student's ability to satisfy their visa conditions.
 - c) Temporary suspensions of study cannot exceed 6-month duration.
 - d) Suspensions will be recorded on PRISMS within 14 days of being granted if the student is under 18 years of age, and within 31 days if the student is over 18 years of age.
 - e) The period of suspension will not be included in attendance calculations.
 - f) Applications will be assessed on merit by the Principal.

-
- g) Some examples of circumstances that are not considered compassionate and compelling at St Margaret's Anglican Girls School include:
 - i. Requests for early departure or late return from vacation, including inability to secure cheap flights.
 - ii. Leaving early or returning late from holidays in order to attend festivals in the student's home country.
 - iii. Returning home to attend family gatherings that occur during term time.
 - h) As part of any assessment of a request to defer or temporarily suspend studies, the impact of the request on the student's ability to complete their intended course of study in accordance with their CoE/s and student visa will be considered. Any implications will be communicated to students.
 - i) All applications for suspension will be considered within 10 working days.
 - j) The final decision for assessing and granting a suspension of studies lies with the Principal. Where a student's request to suspend studies is refused, the student has a right of appeal (see St Margaret's Anglican Girls School's Complaints and Appeals policy).

Further information about the appeals process in the event of a school-initiated exclusion from class is outlined below.
 - d) Excluded students must abide by the conditions of their exclusion from studies and must adhere to any welfare and accommodation arrangements in place, as determined by the Principal.

- f) Where extenuating circumstances are deemed to exist, a student may still access the complaints and appeals process, but St Margaret's Anglican Girls School need not await the outcome of this process before changing the student's enrolment status in PRISMS. If the school has issued a CAAW for such a student, welfare provisions under Standard 5.6 are applicable.

Accommodation and Welfare Policy

Care for younger students under 18 years

St Margaret's Anglican Girls School is a CRICOS-registered provider which enrolls younger students under 18 years of age. As part of its registration obligations St Margaret's Anglican Girls School must satisfy Commonwealth and state legislation, as well as any other regulatory requirements, relating to child welfare and protection for any overseas student enrolled who is under 18 years of age.

These obligations include ensuring that all overseas students under 18 years of age are given age- and culturally-appropriate information on:

- who to contact in emergency situations, including contact number/s of a nominated staff member, and
- how to seek assistance and report any incident or allegation involving actual or alleged sexual, physical or other abuse.

St Margaret's Anglican Girls School has documented procedures relating to child welfare and safety, and will implement these procedures in the event that there are any concerns for the welfare of a student under 18 years of age.

Accommodation and care options for overseas students under 18 years

St Margaret's Anglican Girls School approves the following accommodation and care options for overseas students:

- 1) The student will live with a parent or relative approved by the Department of Immigration.

In this case:

- i. The School does not provide a welfare letter (CAAW) via PRISMS. The student's family completes Form 157N and provides proof of relationship to Department of Immigration at the time of visa application for approval of these arrangements. The Department of Immigration must also approve any further change of welfare arrangements.
- ii. If the adult responsible for the welfare, accommodation and other support arrangements for a student under 18 years holds a Student guardian Visa (subclass 590), all obligations and conditions of this visa must be met, including:
 - a) not leaving Australia without the nominating student unless there are compassionate and compelling circumstances and the School has first approved alternative welfare and accommodation arrangements for the student for the adult's period of absence, and
 - b) advising the Department of Immigration of any change of address, passport or other changes of circumstances.

St Margaret's Anglican Girls School requires holders of Student Guardian Visas (Subclass 590) to:

- i. maintain Overseas Visitor Health Cover for themselves and any dependent children living with them in Australia,
- ii. immediately advise the School of any change to address or contact details, and
- iii. immediately advise the School if there are any compassionate or compelling reasons to travel overseas or not be at home for an extended period of time to care for the student.

If there is a valid reason for travelling overseas, and the School is able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the School will provide documentation approving temporary care arrangements for the student to the student's guardian and for the Department of Immigration via PRISMS.

If there is not a valid reason for travelling overseas, or if the School is not able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the student will need to travel overseas with the holder of the student guardian visa. In this case, the School will advise if compulsory attendance requirements will or will not be affected by the student's absence.

- 2) The student will live in school approved accommodation and welfare arrangements and St Margaret's Anglican Girls School will generate the welfare letter (CAAW) via PRISMS to accompany the student's Confirmation of Enrolment (CoE).

Accommodation options that may be approved by St Margaret's Anglican Girls School for full fee paying 500 (formerly 571) visa subclass students under 18 years of age include:

Any accommodation, welfare and other support arrangements for the student must be approved by St Margaret's Anglican Girls School, including arrangements provided by third parties.

Accommodation and care arrangements are checked prior to approval and at least every six months thereafter to ensure they are appropriate to the student's age and needs.

Any adults and residents over 18 years involved in or providing accommodation and welfare arrangements to the student have a blue card as appropriate (www.bluecard.qld.gov.au/).

Any changes to approved arrangements must also be approved by the School. This includes any requests by students under 18 years of age to attend "Schoolies Week" on completion of Year 12.

If a student cannot be located and the School has concerns for their welfare, the School will contact the student's parents / legal guardian and notify the police and any other relevant authorities.

If a student for whom the School has issued a CAAW refuses to maintain approved arrangements, the School will report this to the Department of Immigration and advise the student to contact the Department of Immigration to ensure visa implications are understood. (See Department of Immigration office addresses at: www.border.gov.au/about/contact/offices-locations/australia).

In the event of a significant or critical welfare issue involving the student, and if determined necessary by the school, a parent, legal guardian or approved relative agrees to travel to a designated location within 5 days to assume care of the student until the situation has been resolved to the school's satisfaction.

The Homestay Program operated by St Margaret's Anglican Girls School and run by International Student Care Australia (ISCA) meets Queensland legislative requirements for child protection as well as Standard 5 of the National Code. These include:

- continuous dates for approved welfare arrangements
- documented procedures for checking suitability of accommodation, support and general welfare arrangements
- guidelines for selecting family and ensuring the family can provide a stable environment for the duration of the student's enrolment at the school
- criteria about accommodation services to be provided, and contract for arrangements about providing accommodation services

- orientation program for families new to provision of homestay services
- compliant homestay risk management strategy, reviewed annually, undertaken by operator of the homestay program
- Bluecard for adults living in the homestay / private arrangement other than overseas students.

Student Guardian Visas:

St Margaret's Anglican Girls School requires holders of Student Guardian Visas (visa subclass 590) to:

- maintain Overseas Visitor Health Cover (OSHC) for themselves and any dependent children living with them in Australia
- immediately advise the school of any change to address or contact details
- immediately advise the school if there are any compassionate or compelling reasons to travel overseas or not be at home for an extended period of time to care for the student.

If there is a valid reason for travelling overseas, and the school is able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the school will provide documentation approving temporary care arrangements for the student for the Department of Immigration.

If there is not a valid reason for travelling overseas, or if the school is not able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the student will need to travel overseas with the holder of the student guardian visa. In this case, the school will advise if compulsory attendance requirements will or will not be affected by the student's absence.

Complying with Student Visa Conditions:

As an international student in Australia it is VERY important that you comply with all of the requirements of your student visa. St Margaret's has a number of policies in place to ensure that your time spent here is safe, secure and that you reach your academic potential. These conditions will be discussed at orientation and the policies can be found on the school website.

Your visa requirements as an International student are:

- maintain satisfactory course attendance and course progress (See Course Attendance and Course Progress section)
- maintain approved welfare for duration of the course (See Accommodation and Welfare Arrangements section)
- maintain Overseas Student Health Cover for duration of the course (see OSHC section)
- comply with all transfer regulations (see Transfer Policy section)
- pay all school fees as per schedule of fees and invoices.

You also have the right to fair and equitable treatment as an International student. Please read the ESOS Framework and the School's Complaints and Appeals Policy (see Complaints and Appeals Policy section).

The above policies will be discussed during your orientation process.

NOTE: The student must inform Admissions and Community Relations – International if their visa type changes or if they have a new passport number so that your record is updated in PRISMS. The student is also responsible for ensuring that their student visa remains current for the duration of their enrolment.

Change in Visa Type or Passport

The student must inform Admissions and Community Relations if their visa type changes or if they have a new passport number so that the student record is updated in PRISMS as well as in St Margaret's TASS system. The student is also responsible for ensuring their student visa remains current for the duration of their enrolment.

Change in Visa

- If the student visa subclass 500 changes to another temporary or permanent resident visa subclass, such as 101 (Permanent resident), 188 (Business Innovation and Investment visa), 456 (Business Visa), 457 (Temporary Work visa), or they become eligible and granted Australian Citizenship, they cease being a Full Fee Paying Overseas Student and their enrolment type is changed to a domestic student from the following semester and domestic fees would be applied from the following semester. At that stage, welfare arrangements with the school may cease if the Department of Immigration and Border Patrol (DIBP) is satisfied with new welfare arrangements, but the school will still maintain duty of care for the student until the end of their enrolment.

NB: Children who were born in Australia may not be granted automatic Australian Citizenship due to reasons such as:

- i) At the time of birth, the child's parents were temporary visitors in Australia holding foreign passports, or
- ii) The child was born in Australia but holds a foreign passport because their parents hold overseas citizenships.

In such cases the school will deem them as Full Fee Paying Overseas student until such time they are granted Australian Citizenship or Permanent Residence.

- Children of parents entering Australia under student visa subclass 500 themselves are also regarded as Full Fee Paying Overseas Students.
- If the parent is studying in Australia and enrolled in a higher education course which is funded by the Australia Government to complete their studies, then their child may be considered as a domestic student.

NB: This decision is at the discretion of the Principal.

- Overseas students under the age of 6 years are charged domestic fees at St Margaret's. International Student Fees apply from the next study period/semester after they turn 6 years old and once they have been granted a student visa.

Please refer to www.border.gov.au for further information on visas and passports.

Change in Passport Number

- The student must inform Admissions and Community Relations – International about change in passport and send through a copy of the new passport for student file and so PRISMS can be updated.
- The student must also ensure the appropriate requirements of the DIBP has been satisfied with regards to the issuing of the new passport

Sickness

When the student is sick they must tell someone immediately. Seeking help early often prevents an illness from becoming more serious. At home tell the homestay parents; if in boarding inform the year level house mother or if the student is sick during school then they can go to the Health Centre. The nursing staff at the Health Centre can arrange some medicine or arrange a visit to the doctor if needed. If afterhours, the student can go to the homestay family doctor or one of the following centres:

Brisbane City 7 Day Medical Centre

Overseas Student Health Cover (OSHC):

As an international student it is requirement to have overseas Student Health Cover (OSHC) for the duration of the student visa. OSHC is health and hospital insurance for Australia. **This is a requirement of the student visa and is compulsory.**

If the student does not have their own private OSHC, the school will arrange this for them and they will be issued with an OSHC card from **ALLIANZ GLOBAL ASSIST** on arrival at St Margaret's. When the student visits the doctor or hospital they will be required to pay the consultation fee which is usually \$60-\$70. (More if the consultation is for a longer time). A receipt from the receptionist at the doctor's surgery must be obtained so that refund from Allianz can be obtained. The student must complete the refund form available from www.oshcallianzassistance.com.au/ or from the International Pastoral Care Coordinator. The completed form and the receipt must then be posted to Allianz. Alternatively, the student could visit the Allianz website to find a customer service location.

Information on what is covered by OSHC can be found at: www.oshcallianzassistance.com.au/

Information Technology (IT)

Students who have access via the school to business technology and the internet are responsible for ensuring that this technology is used for legitimate school purposes only, and that confidentiality is maintained. All students are required to sign a *Student IT Contract and Laptop Charter*.

The student must read the information carefully and sign their name at the bottom. Once this contract is activated, the student will be given a laptop to use while at the school and will be able to access the school's computer network. The student will be taken to IT to collect their school laptop.

Assessment Calendar

At the beginning of each semester the student will be able to download their assessment calendar from Masterfile on the Intranet. This calendar gives information about the due dates for assignments and tests for each subject. The International Pastoral Care Coordinator will show how to access the assessment calendar.

Absences

If the student is absent from school for any reason, they must ask their parent, homestay parent or guardian to call the school on 3862 0730. This is VERY important as the safety and wellbeing of the student is paramount. The student must not call the school themselves. The call must be made by an adult. If the school does not receive a call, they will call the student's home to find out where they are.

Uniform

The St Margaret's uniform is called a 'Middy'. The student must wear the full school uniform every day. Panama and school badges must be worn every day. Apart from pearl earrings and a watch no other jewellery is to be worn. Hair must be tied back neatly and be of a natural colour.

Co-curricular Activities

At St Margaret's there are a wide range of co-curricular activities the student can participate in. These include sports, music and community involvement. Participating in an activity is a very good way to make friends and to become part of the school. All activities sign-ups are online and an email will be sent informing students of when to sign up for each activity. The Head of Sport, Head of Performance, and International Pastoral Care Coordinator can help with these decisions.

Public Transport

As part of orientation materials the student will receive information about the public bus routes and the school bus routes that service St Margaret's. Albion train station is also a short 10 minute walk away. If you need some assistance getting to and from the bus stop/ train station, please see the International Pastoral Care Coordinator.

Living in Australia

Living in a new country is sometimes very difficult. You have to learn a new language and adapt to a new culture. Remember that everybody goes through some form of culture shock. It is okay to feel a little lonely or homesick after the initial excitement of arriving in Australia ends. The first few days and weeks of living in Australia will probably make you very tired. Not only do you have to function in English (very tiring) you will be settling into a whole new routine. Try these suggestions to help make your time here easier and more enjoyable. Remember if you are feeling sad or homesick, there is always someone you can talk to.

When you move to a new country, it is normal at some point to experience culture shock. Culture shock can be described as the anxiety felt by a person who moves to a new environment or country and is in an unfamiliar environment.

1. Understanding culture shock

How do you know you have culture shock?

- You feel frustrated and anxious.
- You feel that you have a lack of direction.
- You don't know what to do or how to do things.
- You don't know what is right or wrong in the new country/environment.

Culture shock can be unpleasant; however, it can provide you with the opportunity to learn and acquire new perspectives and live new experiences.

2. What are the symptoms of culture shock?

- sadness, loneliness, melancholy
- preoccupation with health
- aches, pains, and allergies
- insomnia, desire to sleep too much or too little
- changes in temperament, depression, feeling vulnerable, feeling powerless
- anger, irritability, resentment, unwillingness to interact with others

- identifying with the old culture or idealizing the old country
- loss of identity
- trying too hard to absorb everything in the new culture or country
- unable to solve simple problems
- lack of confidence
- feelings of inadequacy or insecurity
- developing stereotypes about the new culture
- developing obsessions such as over-cleanliness
- longing for family and feeling home sick
- feeling lost and overlooked

(Adapted from www.edweb.sdsu.edu/people/CGuanipa/cultshok)

3. Stages of culture shock

Culture shock has many stages. Each stage can be ongoing or appear only at certain times.

- ***The Honeymoon Phase*** - During this period the differences between the old and new culture are seen in a romantic light as wonderful and new. Everything is new and exciting. For example, when moving to a new country an individual might love new foods, pace of life, people's habits, buildings and so on.
- ***The "Everything is Awful" Phase*** - After a few days, a few weeks, or a few months, minor differences between the old and new culture begin to add up. You might encounter some difficult times and crises in daily life and you may feel impatient, angry, sad or discontent. For example, language barriers are proving to be difficult, you might find the pace of life too fast or slow, or you may find people's habits annoying, etc.
- ***The "Everything is OK" phase*** - Again, after a few days, weeks or months, one grows accustomed to the new culture's differences and develops routines and you gain a greater understanding of the new culture. You may have a feeling of pleasure and psychological balance. At this point, an individual no longer reacts to the new culture positively or negatively, because it no longer feels like a new culture. An individual becomes concerned with basic living again, as they were in their original culture.

4. How to cope with culture shock

- Read about the country and culture before you leave.
- Familiarise yourself with the language and local customs.
- Be yourself. Be open minded and be willing to adapt to the new environment.
- Take 'time out' to relax and sleep.
- Keep in contact with family and friends.
- Maintain confidence in yourself. Follow your ambitions and continue your plans for the future.
- Read about culture shock.
- Make plans for the future that you are excited about e.g. a holiday.
- Don't try too hard.
- Exercise when you can.
- Join clubs and societies to meet people or volunteer in community activities that allow you to practice the language that you are learning.
- Allow yourself to be sad sometimes...but not for long!
- Focus your energy and power on getting through the transition.
- Recognise that the new environment or country is different to what you may be used to.

APPENDIX 2 – Holiday Leave Process

As an international student in St. Margaret's, I feel so proud and fortunate to be part of this big family which encourages faith, spirit and sisterhood. I can feel how each Maggie's girl's spirit contributes to the positive atmosphere around the school. In Australia, and particularly in St. Margaret's, everyone is given numerous opportunities to develop their talents, show their leadership skills and work together to build a strong community. I have really enjoyed my musical journey at St Margaret's as it gives me a break from my academic work. The positive vibes, warm smiles and spirit are the things which make St Margaret's unique and glorious.

Selina Kwok

Being an international student at St Margaret's is a great experience. St Margaret's has a strong sense of community. All my classmates, teachers and housemothers are very caring and help to look after our international students. St Margaret's has many activities not only in sport but also in music, competing in House events and social activities in Boarding. It allows all the international students to interact with local students and experience the Australian culture. I have participated in badminton, basketball, chorale and dancing which I have thoroughly enjoyed. The thing that I like most about St Margaret's is the Boarding House. Everyone shows respect to each other and we always have options of where and when we want to study. What's more, we have different food every day and Asian food at dinner.

Serina He

I enjoy school in Australia as I think Australian people are friendly and nice to foreigners. I've heard that some people in big cities aren't nice, but in Brisbane people are lovely. I also enjoy Australia's beautiful weather. There are plenty of outdoor events which I love to go to, because I can meet new people and discover new cultures.

Since starting at St Margaret's, I have joined the Toc-H group, where I volunteer and help out disadvantaged members of the community. I have also participated in badminton with the school. I have enjoyed being involved in both of these groups.

My favourite thing about St Margaret's is the study environment. There is all manner of options for academics, sport, music, the arts and cultural groups that we can participate in and enjoy. There are also a large range of subjects for selection which offer a global outlook. I especially enjoy Legal studies, as I feel it's helped me to be more aware of the world around me and to be a responsible young person
