

## Ausenco St. Margarets Engineering Scholarship

# Engineering isn't just about math and science, it's also about ingenuity.

We harness the power of imagination to solve problems that improve the state of the world, amplify performance and make people's lives safer and easier. We are scientists, inventors, designers, constructors. Ausenco engineers find a better way, every day.

### The Ausenco Scholarship advantage.

- \$4000 per annum over a four-year degree
- Experience gained through paid vacation employment
- Potential Graduate position at Ausenco

### We encourage you to apply if you:

- » Intend to study engineering at university
- » Excel at your school studies
- » Contribute positively to your school and community
- » Have an interest in Chemical / Metallurgy, Mechanical, Civil / Structural Engineering

*Applications for the Ausenco Engineering Scholarship are open from Friday 6 September 2019 until Monday 30 September 2019.*

Make sure you attend the information session on Friday 6 September 2019 from 9:50am to hear more about the scholarship, application and selection processes. See Ms Gorrie for more details.

Ausenco is a global engineering services company dedicated to finding a better way to create value for our clients and have a positive impact on the world around us.
