While you appreciate the stunning collaborative artwork created by Sunshine Coast artist Rosie Lloyd-Giblett and our Years 7 to 12 Visual Arts students in the Arts Corridor, you will also be listening to an original composition by Year 11 student Charlotte.

The visual art is inspired by the birds, trees and flowers while Charlotte's music piece titled 'How Annoyingly Colourful' was created in response to a painting of a Tawny Frogmouth by Wulli Wulli artist Arabella Walker. Charlotte wrote the piece as part of her participation in the Queensland Symphony Orchestra's Compose Program.
