

27 March 2017

Dear Parents/Guardians

## ADMISSION TO HOLY COMMUNION

In Religious and Values Education (RVE) the girls in Year 3 are learning about the sacraments of the Church, particularly Baptism and Holy Communion. They are also gaining a greater understanding of the workings of the School Chapel.

**On Sunday 4 June at 9:00am**, the Primary Family Service will be held in Eton Hall. It will be a service of Holy Communion and any member of the school community from **Year 3 and above** who would like to be formally welcomed to receive bread and wine is invited to complete the attached form. The prerequisite is that she already be baptised. There will be opportunities to be Baptised prior to being admitted to communion, for any girls who wish to be baptised at school.

Girls who are already communicant members of their own Christian denominations and are baptised (christened) in their own traditions are not required to be admitted to either sacrament anew. They will be invited to take communion whenever the Eucharist is celebrated at school.

Please complete the attached form if you wish your daughter to be admitted to Holy Communion and return it to the Primary Office no later than Friday 5 May. If you wish to have your daughter baptised as well as admitted to Holy Communion, please indicate this on the form.

Please do not hesitate to contact me if you have any queries regarding this process. Being Admitted to Communion is *not the same as* Confirmation - a more adult commitment that happens from Year 9 in the Anglican Church. I can be contacted on [ncolledge@stmargarets.qld.edu.au](mailto:ncolledge@stmargarets.qld.edu.au) or 3862 0716.

The Rev'd Nicki Colledge  
**Chaplain**

Mrs Trudi Edwards  
**Head of Primary (Acting)**
