This prestigious event is an acknowledgment of the enormous effort, dedication and commitment made by your daughters during this season.

Each crew will be individually welcomed and applauded as they arrive through an Oar archway.

This year the winning crews will RING THE BELL

The full nature of the event is yet to be determined and will be based on Covid safe regulations at the time.

With that said, we do promise there will be beer for all the Dad's.

We encourage all families to attend in support of their daughter's and the shed, and bring the family to make it a Father's day to remember.
