Our feature piece is inspired by the work of Australian artist Jacqui Stockdale who is currently exhibiting at Tweed Heads regional Gallery. Each student will create a **large-scale Angel themed painting** exploring each element of Stockdale's work including drawing, painting, textile and paper collage.

They will also create drawings and paintings inspired by selected artists of the day, that will be collated in a personalised **decoupage ART BOX**. These pieces will be readily available for scanning and/or framing, a perfect Christmas gift idea.

RSVP: by 20 November to CMazzotta@stmargarets.qld.edu.au
