Dear Parents/Guardians

STRINGS CONCERT

The annual Strings Concert is one of the highlights on the Music calendar at St Margaret's. The concert features all of St Margaret's string ensembles, with a program of exciting, exquisite and entertaining music performed by *Chamber Strings*, *Stradivari Strings*, *Amati Strings*, *Tutti Strings*, *Sculthorpe String Quartet*, *Beath String Quartet* and *Year 3 Strings*. The evening will finish with a big finale piece which involves all ensembles and members of the St Margaret's community combining forces to perform "El Zopilote Mojado", an upbeat and playful traditional mariachi tune.

Parents are asked to bring their daughter/s to **Eton Hall** at 6:00pm in preparation for a 6:30pm concert start. We invite you to join us for pre-concert refreshments provided by the Music Support Group in the Eton Hall Courtyard.

A rehearsal schedule is attached. This outlines the coming weeks leading up to the concert. Full attendance at all rehearsals is vital due to the numerous collaborations occurring between various ensembles.

We look forward to sharing this special evening with you. Please invite friends and family members to enjoy the superb music which has been both conscientiously and sensitively prepared by the students this semester. Performing in front of a warm, supportive audience indeed creates a wonderful environment for the girls to build confidence in their musical abilities and showcase their achievements.

Yours sincerely
