## CLARE POPPI

**Mondays 3:30-5:30pm**

**Art Centre V103**

**24 April - 12 June**

**Seven week course**

Clare Poppi is an artist living and working in Brisbane. Clare works in jewellery and metal-smithing, focusing on sustainable design and wearable art.

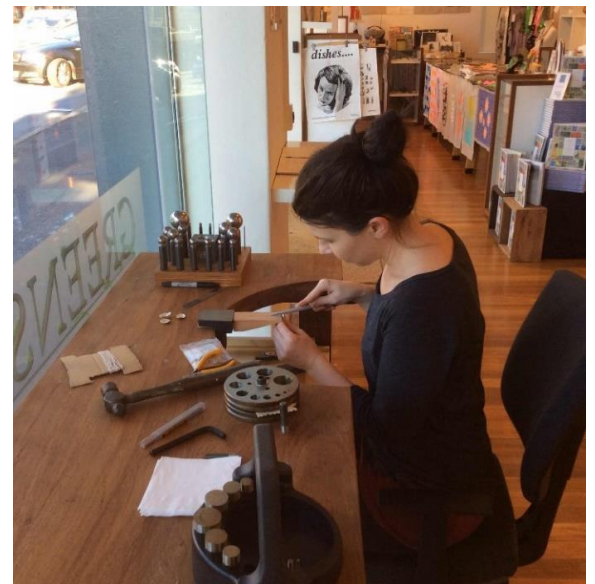

**What:** Silver smithing techniques will be covered: saw-piercing, drilling, forming, texture and shaping.

Students will work with silver and copper to construct creative and unique 'tab' settings to hold stones, porcelain, timber and other found materials. These settings can be turned into wearable jewellery pieces or small objects.

**Who:** Open to all Secondary year levels 7-12. Max class size only 10 students.

**Cost:** \$175 p/p.

Students must enrol via Flexischools.
