WHERE

St Margaret's Arts Centre Foyer

RSVP

Monday 3 June 2019

to RParisi@stmargarets.qld.edu.au

Refreshments provided on arrival

From 2020, the Australian Tertiary Admission Rank (ATAR) will replace the Overall Position (OP) as the standard pathway to tertiary study for Queensland Year 12s. The ATAR is the primary mechanism used nationally for tertiary admissions and indicates a student's position relative to other students.

The ATAR will be introduced for students commencing Year 11 this year, who will graduate from the end of 2020 and seek entry to tertiary courses commencing from 2021. QTAC will calculate ATARs for Queensland school leavers.

This presentation by QTAC will provide information about how the ATAR will be calculated by combining a student's best five subject scaled scores and using a process of inter-subject scaling.
