Dear Parents/Guardians

STRINGS CONCERT

The annual Strings Concert is one of the highlights on the Music calendar at St Margaret's. The concert features all of St Margaret's string ensembles, with a program of exciting, exquisite and entertaining music performed by *Chamber Strings*, *Stradivari Strings*, *Amati Strings*, *Tutti Strings*, *Sculthorpe String Quartet*, *Beath String Quartet*, *Year 4 Strings*, and *Year 3 Strings*. The evening will finish with an epic finale piece involving all ensembles and members of the St Margaret's community to perform *In the Hall of the Mountain King* by Edvard Grieg.

Parents are asked to bring their daughter/s to the **Arts Centre Foyer** at 6:00pm in preparation (warm-up and instrument storage) for a 6:30pm concert start in Eton Hall. We invite you to join us for pre-concert refreshments provided by the Music Support Group in Eton Courtyard.

We look forward to sharing this special evening with you. Please invite friends and family members to enjoy the superb music which has been both conscientiously and sensitively prepared by the students this semester.
