

St Margaret's

Music

9 September 2020

Dear Music Community

What a wonderful, albeit different, year of musical events! This year's Music Dinner which is themed **Music Megastars: Iconic Individuals, Dynamic Duos and Groovy Groups**, chosen by our seniors. The event will be held in Eton Hall on **Wednesday 7 October 2020** from 6:00pm-9:30pm.

Tickets are open to students in Year 6-12 who are involved in the Co-curricular Music Program and cost \$60 per head. Tickets may only be purchased via Flexischools (www.flexischools.com.au). Unfortunately, due to COVID-safe restrictions this year, parents will be unable to attend. For catering purposes, it is imperative you include any dietary requirements and payments are made by **4pm, Friday 18 September, as Flexischools will be unavailable after this time**. Please be mindful there is a capped number, so book your tickets early! The cut-off time allows the Music Support Group and Catering to finalise purchasing of perishable goods and appropriate table allocations prior to the event.

Tickets include dinner, dessert and a drink, prize giving, presentations and farewells to Year 12 students. Only students who have registered and paid via Flexischools will be able to attend.

The girls are encouraged to come dressed in themed costume for the event. There are prizes for 'Best Dressed' for each year level. Senior Leadership and Music staff will attend and are thanked for their efforts during the year. There is usually a visual presentation to commemorate the Department's work throughout the year. Music Captains are presented for 2021.

The Annual Music Dinner is an occasion where students and staff celebrate the culmination of a wonderful year of music at St Margaret's. For many, this year will be your daughter's last involvement in the St Margaret's Music Program. No matter what year level your daughter is in, I think you will agree that your daughter has enjoyed her participation, developed extraordinary skills and made many new friends from her experience, whether it be in choral, string or band ensembles.

On behalf of the Music Support Group, I very much look forward to hosting the Music Dinner on Wednesday 7 October 2020.

Yours in music
