

## September 2018

**Congratulations to Leilani Chia - Year 10  
'Artwork of the Month'**

Leilani's artwork is a stunning composition of natural forms. The shadows, pattern and texture created by the shapes offer much depth and interest to the artwork. Complimented by the intricate, scenic background of a tranquil landscape, the fluidity of the balsa-wood forms develop a beautiful aesthetic and pleasing composition. Excellent work Leilani!
