

# 3-4 OCTOBER: YOUTH CONFERENCE EXPLORING FINANCIAL FUTURES

*Teenagers and senior students are invited to a 2-day seminar-workshop in the Brisbane CBD, where representatives from some of Australia's leading wealth, financial service and finance-related companies and organisations will provide presentations on:*

- *Orientation to personal wealth creation and management*
- *Careers in financial services, and*
- *Living responsibly in our financial world.*

## The Wealth Academy

The Wealth Academy is dedicated to helping Australian youth develop the financial life skills they will need in an increasingly complex and challenging financial world. We work towards this goal through partnerships with industries, business, schools and non-profits that also strive for better life outcomes and opportunities for young Australians. We believe in the benefit of collective action.
