

October 2018

Congratulations to Lilly Devlin - Year 12 'Artwork of the Month'

Congratulations to the talented Lilly Devlin who has won 'Artwork of The Month' for October! Her colourful and layered synthesis of political activism and appropriation is astute.

Lilly's bold spray-paint colours and maps of the New York ghetto districts create a multidimensional effect and mirror the style of her appropriation artists, Gordon Bennett and Jean-Michel Basquiat. Undertones of political activism are present in the subject matter ('red-line' districts which were effectively created by the government to segregate African-American people).

Lilly has created a powerful composition and a fantastic addition to the school gallery!
