

St Margaret's

NEW SENIOR ASSESSMENT

The new Queensland Certificate of Education (QCE) system being introduced by the Queensland Government is starting with Year 11 students this year. Parents of students from Years 5 to 11 are invited to our new senior assessment evening, where we will discuss the key features of the changes, including the introduction of common external assessment, the replacement of the Overall Position (OP) with the Australian Tertiary Admission Rank (ATAR) and the improved quality and comparability of school-based assessment.
