BECOME A FRIEND

*The Music Program at St Margaret's aims to inspire students to make music an integral part of their lives. Music can make a profound contribution to a student's sense of identity and provides them with a unique means of expression and connection with others. Students have the opportunity to participate in many different music ensembles, ranging from string and band groups, to choirs and rock bands. Many performance opportunities are provided throughout the year. These include school concerts, an annual performance in St John's Cathedral - 'Classics in the Cathedral', the school musical, competitions, community events, interschool festivals and local church services. Students may also choose to participate in music camps and international tours that occur at regular intervals.*

## **Parent Support**

Parent support is pivotal to the success of the St Margaret's Music Program. There are many ways parents can assist the program, such as giving their time to assist at music events held throughout the year and donating items for raffles. Another way parents can assist is by donating to the Friends of St Margaret's Music Program, to further expand opportunities for music excellence at St Margaret's.

To become a Friend of St Margaret's Music, we seek donations at two levels - \$500 (Gold) or \$250 (Silver). We appreciate your consideration of showing support in this way. Should you wish to become a Friend of St Margaret's Music, please email [music@stmargarets.qld.edu.au](mailto:music@stmargarets.qld.edu.au)

### **Silver Donors**

As a Silver Donor, you will receive two tickets with priority reserved seating at 'Classics in the Cathedral' plus a school concert of your choice (Choral/Band/Strings Concerts). ## Music Support Group

The Music Support Group is a committee of parent volunteers whose role is to raise funds for the benefit of students involved in the St Margaret's Music Program.

The Music Support Group recently purchased two class sets of string instruments to allow for the extension of the Strings Program to include both Years 3 and 4 students. With over a third of St Margaret's student body involved in the Music Program, the need to renew and expand our inventory of instruments is growing. The Music Support Group is currently fundraising to refurbish/replace instruments used within the School's Band Program.

The St Margaret's Music Department employs fifteen part-time instrumental teachers who provide tuition on all string, brass, and woodwind instruments, plus keyboard, guitar and voice. They bring an enormous wealth of performing and teaching experience to the school.
