

# Term 3 smART Club 2017

## Photography with Thomas Oliver

**Tues 3:30pm – 5:30pm – Art Centre V103**  
**Seven-week course**

**Who:** Our tutor, Thomas Oliver, is a photographic artist based in Brisbane. Oliver received his Bachelor of Photography at the Queensland College of Art and is currently undertaking an Honours year.

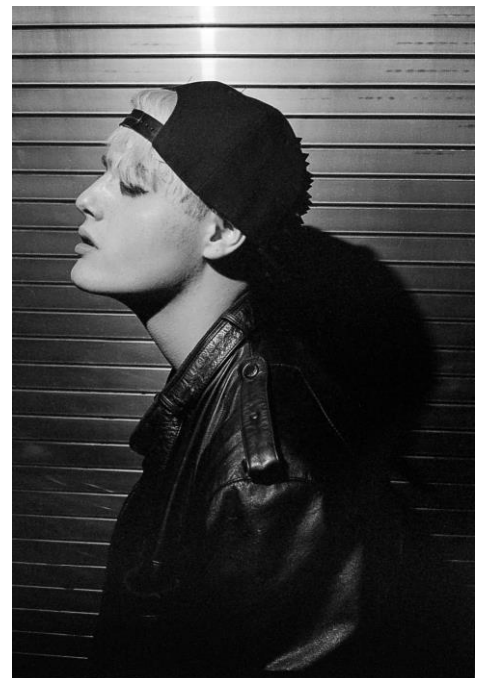

**What:** Photographic darkroom printing techniques will be covered. Students will use analog cameras, develop film and make darkroom prints.

Students will produce their own unique hand printed silver gelatin photographs from black and white negative film. Each student will be guided through steps from loading a camera, to developing their prints. The course may also cover: photograms, cyanotypes, chlorophyll prints and laser print image transfers.

**When:** Seven-week course  
Every Tuesday from 18 July  
Open to all Secondary year levels 7-12  
Max class size only 12 students

**Where:** The Secondary Art Room - V103

**Cost:** \$130 p/p  
Students must enrol via Flexischools

St Margaret's
