ourselves

How do I want to feel every day when I come to school?
What am I doing to ensure others can feel this way?

Alignment and Accountability

Community:

As a community we operate through the six core values, thus ensuring a strong sense of cohesiveness through alignment and accountability to a common cause.

We are aligned towards achieving our key goals – academically, pastorally and philanthropically – in order to ensure improved outcomes for all students.

We actively choose to give of our best to all members of the community, and, in times of challenge, seek out solutions together.
