

NETWORKING BREAKFAST SEMESTER 2, 2021

Expression of Interest

School industry partnerships can provide young people the opportunity to develop their enterprise and career management skills, improve their networks upon leaving school and have a better understanding of career pathways into the new world of work.

(The Foundation for Young Australians, 2019)

You are invited to attend the inaugural
**Aspiring Young Women's Network
Breakfast**
in Semester 2, 2021.

Our focus is to develop strong relationships with industry that expose students to the real-world application of subjects, learn more about their chosen pathway, and open networking and mentoring opportunities for our aspiring young women.
