

# Associate Program

**Durack College Associate members live outside the College but can call Durack 'home' while at university and enjoy the benefits of College life.**

**Becoming a Durack College Associate** also provides social connections within the Durack College community. It is great for students who are commuting to university, new to Brisbane or living in accommodation where meeting like-minded women is difficult.

**The Associate Program includes:**

- Opportunity to be part of the vibrant student community of Durack College
- Participation in the Welcome Week program (First Year Associates)
- Durack College polo shirt and cap
- Access to the Durack College Student Success Program
  - CollegeConnect
  - MasterClass
  - Academic Advising
- Pastoral care and academic support
- Opportunity to participate in social events in the Durack College calendar
- 10 meal vouchers so you can enjoy breakfast, lunch or dinner in the Durack Dining Room
- Opportunity to purchase additional meal vouchers at a reduced rate
- Opportunity to purchase Durack College student merchandise

**Associate Members are often the first to be considered to fill places** at Durack College should they become available throughout the academic year. Therefore, we ask anyone wishing to become an Associate Member to complete a full and thoughtful application and attend an interview.
