

Teaching at St Margaret's Information Session

DISCOVER ST MARGARET'S

Join us for our Teacher Open Evening

If you are curious about the opportunities a teaching career at St Margaret's could offer — now or in the future — we invite you to join us for an evening of connection, conversation and insight into life at St Margaret's.

We encourage early career and experienced educators looking for growth opportunities to join us for an inspiring evening to discover what makes teaching at St Margaret's unique.

This is more than an information session, it is an opportunity to experience our culture, meet our people, and explore how our school supports teachers to teach with purpose, belong to a strong professional community, and thrive in their careers.

During the evening, you will have the chance to:

- hear from current teachers and school leaders
- learn about our approach to teaching, learning and wellbeing
- explore career pathways and professional growth opportunities
- connect with members of our community

Whether you are actively seeking a new opportunity or simply curious about what our school has to offer, we would be delighted to welcome you.
