

Musical

The school musical is held every second year and is always a most wonderful production, combining drama, visual arts, singers and a school orchestra. All roles are auditioned for and lead roles of course are highly prized. The producers always try to maximise the chorus numbers to involve as many girls as possible who wish to be involved, within the constraints of the show.

Recent musicals have included:

2011 Oliver

2013 You're a Good Man Charlie Brown

2015 Annie

2017 Sound of Music

Performances are held in a professional venue, such as La Boite Theatre, across three sold-out nights. They are of the highest standard. It is an experience the girls still recall fondly many years after the curtain has closed!
