

Every Girl Every Opportunity

St Margaret's 'Every Girl Every Opportunity' appeal encompasses a number of exciting planned developments and refurbishment projects which continue our focus on advancement of school facilities to benefit all students. This will include a Senior Study Centre, a new Arts Centre, as well as other classroom and amenity upgrades.

All of these projects are vital components of ensuring that all St Margaret's students have the same opportunities and learning experiences. They will help the school in fulfilling its mission to prepare confident and capable women able to contribute to a global community.

You can donate to the Every Girl Every Opportunity appeal now [online](#), by calling Lindsay Khushal on (07) 3862 0884, or by returning the Giving Envelope enclosed in the latest issue of the *Flyer* magazine.
