

Visit Us

You're invited to visit!

The best way to learn more about St Margaret's is to come and see us, chat to our staff and students, and tour the campus. There are several ways you and your daughter (or son - for Pre-Prep and Prep) can experience St Margaret's.

Personalised School Tours

All prospective families are welcome to take a tour of the school campus with one of our Admissions team members. While on tour you will be able to view classrooms and see our staff and students in action (if taken in term time), and learn more about our classroom and extracurricular facilities. We feel certain you will experience the wonderful warmth of our school community and peaceful ambiance of our Ascot campus. Simply call or email to book a time with the appropriate Admissions team member.

Primary | Miss Elizabeth Hook | Tel: 3862 0838

Secondary/Boarding | Mrs Judy Robinson | Tel: 3862 0762

International | Ms Angelin Achari | Tel: 3862 0861

Email: admissions@stmargarets.qld.edu.au

Open House Events

St Margaret's runs two open house events a year. Open Day is held in early March and Open Morning is in mid-August.

Open Day generally runs from 9.30am to 12.30pm on the first Saturday in March. Guests will be invited to register their intention to visit prior to the day. All St Margaret's students attend Open Day, and showcase classroom and extracurricular activities or act as hosts. Personalised tours with the Year 12 students (secondary) and Year 6 (primary) allow guests to hear all about a St Margaret's education from the students themselves. All staff are also in attendance to answer any questions.

The Principal Ros Curtis addresses both the primary and secondary schools throughout the morning.

Our annual Open Morning runs from 8am and offers a very personalised experience with a welcome from the Principal, a tour with students on a day when the school is operating as usual, then the opportunity to join senior staff members for morning tea.

The next St Margaret's Open House event is **Open Day in early March 2019. You can register your attendance [here](#).**

St Margaret's for a Day

St Margaret's welcomes prospective students to attend the school for a day. While at school, students are paired with a buddy. They sit in on classes and are shown around the school by their buddy (who can answer all her questions about what it's really like to be a St Margaret's student). Enquire now about this program by emailing Admissions on admissions@stmargarets.qld.edu.au or you can download a brochure (PDF 7.3MB).

Regional Tours

Each year, St Margaret's representatives meet with past, current and future families throughout Queensland, interstate and overseas. **Find out more about regional tours.**
