

# Parent Support Groups

## Section Menu

The P&F Association is further enhanced by Support Groups that operate under its umbrella to serve the needs of the girls at the school. Specifically, these groups are:

- Athletics/Cross Country Support Group
- Boarding Support Group
- Hockey Support Group
- Music Support Group
- Netball Support Group
- Rowing Support Group
- Swimming Support Group
- Tennis Support Group
- Water Polo Support Group

Each of these represents a group of parents keen to support a particular area of the school by assisting in the organisation of events, fundraising and other activities to support the girls involved in these activities. Being involved in these support groups is a great way to meet other parents and also share in your daughter's interests.
