

Past St Margaret's student on a pathway to success

St Margaret's past student ('17) and Yalari graduate Jondayah Martin has received outstanding commendations in her first few months studying Communication at Bond University. In her final year at St Margaret's, Jondayah was the recipient of a Blue Sky Alternative Investments Indigenous scholarship to study at Bond and has certainly shown how deserved she is of the opportunity coming first in two subjects and receiving a Dean's Award for Academic Excellence. Congratulations Jondayah! Read more about Jondayah's St Margaret's Yalari journey [here. \(PDF 1.5MB\)](#).
