

Primary Arts Spectacular

The Years 5 and 6 Arts Spectacular is a highlight in the primary school calendar, and while the audience is being dazzled by a million moving and sparkling pieces in this 'one-night-only' production – there are many gears turning behind the scenes which preparations begin many months in advance.

Under each spellbinding costume is its creator and behind each carefully choreographed move is a list of learning outcomes that have been written into the curriculum to give the students the best possible learning opportunities from the experience.

The theme for 2019 was ***The Power Within*** and as the narrative journeyed along a path of discovery, the audience was transfixed by the dance and elaborate wearable art pieces on show. Take a look at the work involved in bringing all the elements together.

Take a look behind the scenes of the 2018 production, ***Hidden Treasures***.

The 2017 production, ***Under the Sea***, offered audiences a reminder of the joys of nature, particularly the wonders of the our own backyard, The Great Barrier Reef.
